646 x _ hold down shift and press hyphen six hundred and forty-
1 x / six times next hold down shift and press seven once
1 x then hit the spacebar once
4 x _ after that hold down shift and press hyphen four times
1 x \ now hold down shift and alt and press seven once
57 x _ next hold down shift and press hyphen fifty-seven times
1 x \ then hold down shift and alt and press seven once
1 x after that hit the spacebar once
1 x \ now hold down shift and alt and press seven once
62 x _ next hold down shift and press hyphen sixty-twice
1 x \ then hold down shift and alt and press seven once
4 x _ after that hold down shift and press hyphen four times
1 x now hit the spacebar once
1 x \ next hold down shift and alt and press seven once
5 x _ then hold down shift and press hyphen five times
1 x \ after that hold down shift and alt and press seven once
1 x now hit the spacebar once
1 x \ next hold down shift and alt and press seven once
2 x _ then hold down shift and press hyphen twice
1 x \ after that hold down shift and alt and press seven once
1 x now hit the spacebar once
1 x \ next hold down shift and alt and press seven once
49 x _ then hold down shift and press hyphen forty-nine times
1 x \ after that hold down shift and alt and press seven once
1 x now hit the spacebar once
1 x \ next hold down shift and alt and press seven once
5 x _ then hold down shift and press hyphen five times
1 x \ after that hold down shift and alt and press seven once
1 x now hit the spacebar once
1 x \ next hold down shift and alt and press seven once
2 x _ then hold down shift and press hyphen twice
1 x \ after that hold down shift and alt and press seven once
1 x now hit the spacebar once
1 x \ next hold down shift and alt and press seven once
44 x _ then hold down shift and press hyphen forty-four times
1 x \ after that hold down shift and alt and press seven once
5 x _ now hold down shift and press hyphen five times
1 x / next hold down shift and press seven once
6 x _ then hold down shift and press hyphen six times
1 x \ after that hold down shift and alt and press seven once
5 x _ now hold down shift and press hyphen five times
1 x next hit the spacebar once
1 x \ then hold down shift and alt and press seven once
5 x _ after that hold down shift and press hyphen five times
1 x / now hold down shift and press seven once
1 x next hit the spacebar once
4 x _ then hold down shift and press hyphen four times
1 x after that hit the spacebar once
1 x \ now hold down shift and alt and press seven once
49 x _ next hold down shift and press hyphen forty-nine times
1 x \ then hold down shift and alt and press seven once

1 x after that hit the spacebar once
1 x \ now hold down shift and alt and press seven once
4 x _ next hold down shift and press hyphen four times
1 x \ then hold down shift and alt and press seven once
1 x after that hit the spacebar once
1 x \ now hold down shift and alt and press seven once
3 x _ next hold down shift and press hyphen three times
1 x \ then hold down shift and alt and press seven once
1 x after that hit the spacebar once
1 x \ now hold down shift and alt and press seven once
50 x _ next hold down shift and press hyphen fifty times
1 x / then hold down shift and press seven once
5 x _ after that hold down shift and press hyphen five times
1 x \ now hold down shift and alt and press seven once
1 x next hit the spacebar once
1 x \ then hold down shift and alt and press seven once
3 x _ after that hold down shift and press hyphen three times
1 x \ now hold down shift and alt and press seven once
1 x next hit the spacebar once
1 x \ then hold down shift and alt and press seven once
5 x _ after that hold down shift and press hyphen five times
1 x / now hold down shift and press seven once
1 x next hit the spacebar once
3 x _ then hold down shift and press hyphen three times
1 x after that hit the spacebar once
1 x \ now hold down shift and alt and press seven once
44 x _ next hold down shift and press hyphen forty-four times
1 x \ then hold down shift and alt and press seven once
1 x after that hit the spacebar once
1 x \ now hold down shift and alt and press seven once
3 x _ next hold down shift and press hyphen three times
1 x \ then hold down shift and alt and press seven once
1 x after that hit the spacebar once
1 x \ now hold down shift and alt and press seven once
4 x _ next hold down shift and press hyphen four times
1 x \ then hold down shift and alt and press seven once
1 x after that hit the spacebar once
1 x \ now hold down shift and alt and press seven once
2 x _ next hold down shift and press hyphen twice
1 x \ next hold down shift and alt and press seven once
1 x _ then hold down shift and press hyphen once
1 x \ after that hold down shift and alt and press seven once
44 x _ now hold down shift and press hyphen forty-four times
1 x \ next hold down shift and alt and press seven once
1 x _ then hold down shift and press hyphen once
1 x \ after that hold down shift and alt and press seven once
3 x _ now hold down shift and press hyphen three times
1 x \ next hold down shift and alt and press seven once
1 x _ then hold down shift and press hyphen once
1 x \ after that hold down shift and alt and press seven once
4 x _ now hold down shift and press hyphen four times

1 x \ next hold down shift and alt and press seven once
1 x _ then hit the spacebar once
1 x \ then hold down shift and alt and press seven once
62 x _ after that hold down shift and press hyphen sixty-two
1 x \ times now hold down shift and alt and press seven once
1 x _ next hit the spacebar once
1 x \ then hold down shift and alt and press seven once
2 x _ after that hold down shift and press hyphen twice
1 x \ now hold down shift and alt and press seven once
1 x _ next hit the spacebar once
1 x \ then hold down shift and alt and press seven once
57 x _ after that hold down shift and press hyphen fifty-seven
1 x \ times now hold down shift and alt and press seven once
5 x _ next hold down shift and press hyphen five times
1 x / then hold down shift and press seven once
479 x _ after that hold down shift and press hyphen four
12 x _ hundred and seventy-nine times now hit the spacebar
52 x _ twelve times next hold down shift and press hyphen
12 x _ fifty-twice then hit the spacebar twelve times
52 x _ after that hold down shift and press hyphen fifty-two
5 x _ times now hit the spacebar five times
1 x 1 next press one once
1 x 6 then press six once
5 x _ after that hit the spacebar five times
52 x _ now hold down shift and press hyphen fifty-twice
12 x _ next hit the spacebar twelve times
1370 x _ and finally hold down shift and press hyphen one
thousand three hundred and seventy times

page B

2691 x \ hold down shift and alt and press seven two thousand
1 x six hundred and ninety-one times next hit the spacebar
1 x a once then press a once
1 x n after that press n once
1 x now hit the spacebar once
1 x o next press o once
1 x n then press n once
1 x g after that press g once
1 x o now press o once
1 x i next press i once
1 x n then press n once
1 x g after that press g once
1 x now hit the spacebar once
1 x a next press a once
1 x r then press r once
1 x t after that press t once
1 x i now press i once
1 x s next press s once
1 x t then press t once
1 x i after that press i once
1 x c now press c once
1 x next hit the spacebar once
1 x j then press j once
1 x o after that press o once
1 x u now press u once
1 x r next press r once
1 x n then press n once
1 x a after that press a once
1 x l now press l once
1 x next hit the spacebar once
1 x i then press i once
1 x n after that press n once
1 x now hit the spacebar once
1 x d next press d once
1 x i then press i once
1 x g after that press g once
1 x i now press i once
1 x t next press t once
1 x a then press a once
2 x l after that press l twice
1 x y now press y once
1 x next hit the spacebar once
1 x p then press p once
1 x u after that press u once
1 x b now press b once
1 x l next press l once
1 x i then press i once
1 x s after that press s once
1 x h now press h once
1 x e next press e once
1 x d then press d once

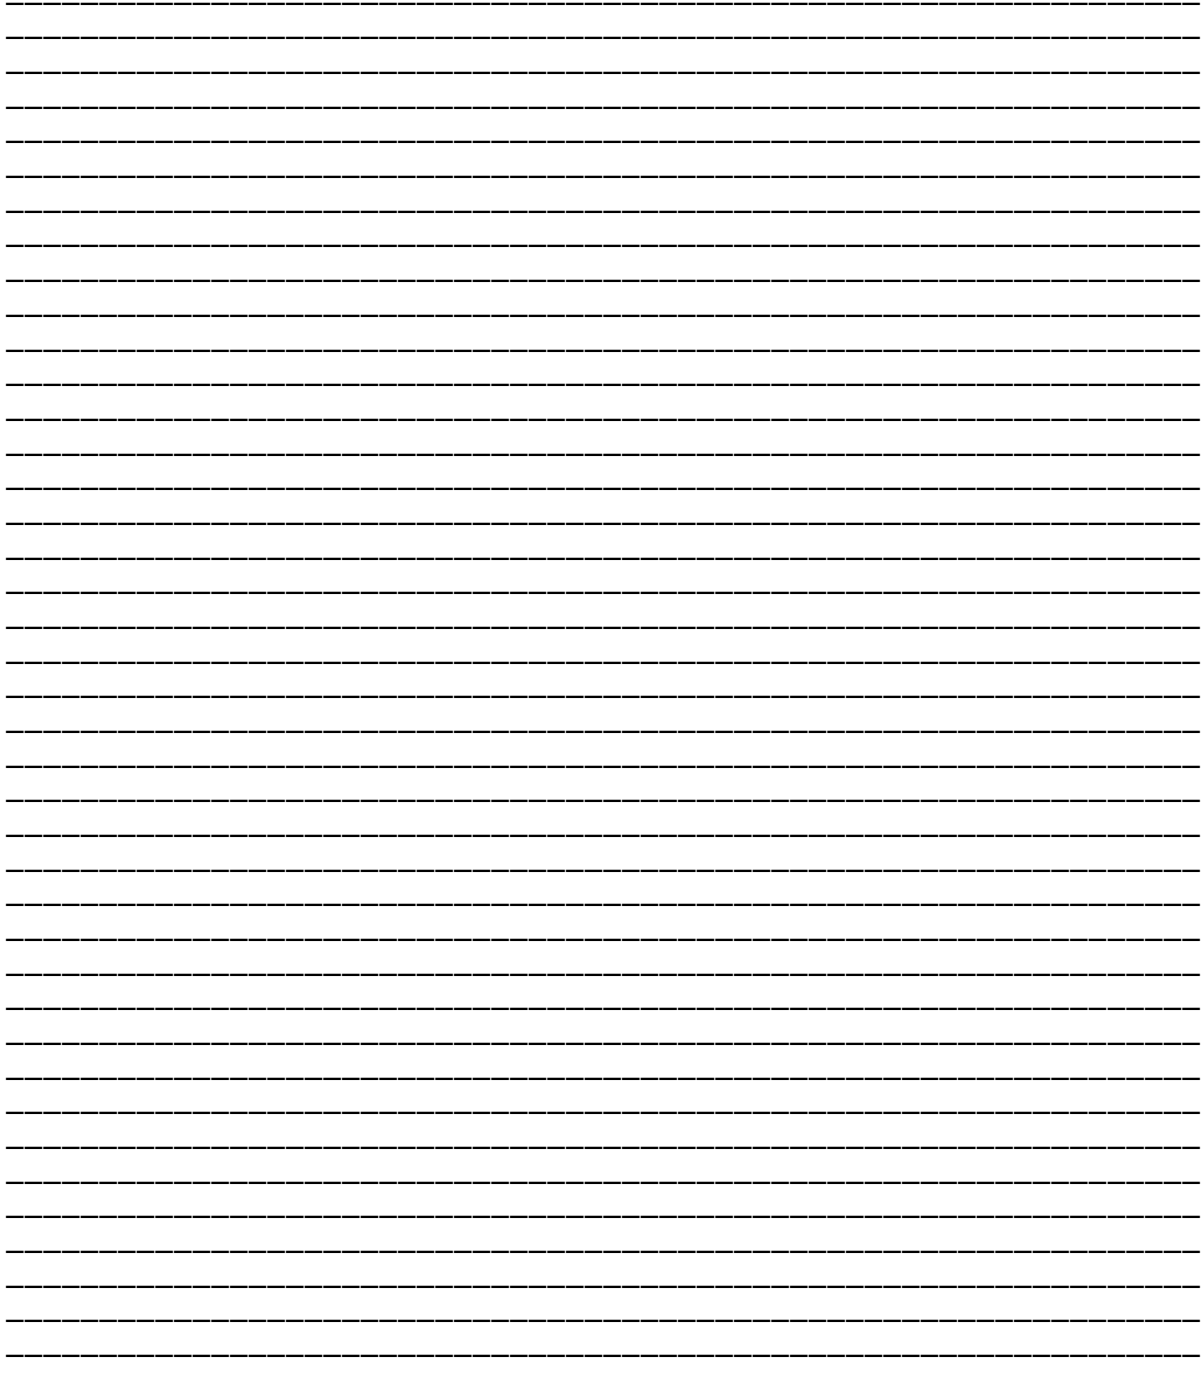

1 x after that hit the spacebar once
1 x z now press z once
1 x i next press i once
1 x n then press n once
1 x e after that press e once
1 x s now press s once
1 x next hit the spacebar once
643 x \ and finally hold down shift and alt and press seven six
hundred and forty-three times

page C

1814 x / hold down shift and press seven one thousand eight
19 x hundred and fourteen times next hit the spacebar
45 x / nineteen times then hold down shift and press seven
3 x forty-five times after that hit the spacebar three
1 x s times now press s once
1 x y next press y once
1 x n then press n once
1 x c after that press c once
1 x . now press period once
1 x a next press a once
1 x b then press b once
1 x u after that press u once
1 x e now press e once
1 x . next press period once
1 x i then press i once
1 x o after that press o once
1 x / now hold down shift and press seven once
3 x next hit the spacebar three times
45 x / then hold down shift and press seven forty-five times
7 x after that hit the spacebar seven times
5 x - now press hyphen five times
7 x next hit the spacebar seven times
45 x / then hold down shift and press seven forty-five times
8 x after that hit the spacebar eight times
1 x p now press p once
1 x 2 next press two once
1 x p then press p once
8 x after that hit the spacebar eight times
45 x / now hold down shift and press seven forty-five times
19 x next hit the spacebar nineteen times
1303 x / and finally hold down shift and press seven one
thousand three hundred and three times

page D

2641 × _ hold down shift and press hyphen two thousand six
30 × _ hundred and forty-one times next hit the spacebar
34 × _ thirty times then hold down shift and press hyphen
2 × _ thirty-four times after that hit the spacebar twice
1 × 1 now press one once
1 × 8 next press eight once
1 × 0 then press zero once
1 × 4 after that press four once
1 × 2 now press two once
1 × 0 next press zero once
1 × a then press a once
1 × b after that press b once
1 × _ now hold down shift and press hyphen once
1 × s next press s once
1 × y then press y once
1 × n after that press n once
1 × c now press c once
1 × _ next hold down shift and press hyphen once
1 × 1 then press one once
1 × 6 after that press six once
1 × _ now hold down shift and press hyphen once
1 × c next press c once
1 × o then press o once
1 × v after that press v once
1 × e now press e once
1 × r next press r once
1 × . then press period once
1 × p after that press p once
1 × d now press d once
1 × f next press f once
2 × _ then hit the spacebar twice
657 × _ and finally hold down shift and press hyphen six
hundred and fifty-seven times
